PLEASE RESPOND IN WRITING ON THIS SHEET TO TWO OR MORE OF THE FOLLOWING QUESTIONS. THESE DISCUSSION QUESTIONS ARE ESPECIALLY IMPORTANT, SO PLEASE EXPLAIN YOUR OPINIONS AS CLEARLY, FULLY, AND SPECIFICALLY AS YOU CAN.

- A. How have you been challenged intellectually through studying with your instructor?
- B. What were the strengths or weaknesses of the class sessions?
- C. How well did the instructor achieve the stated goals and objectives of the course? What was the most valuable thing you learned?
- D. How do you rate the teaching ability of your instructor?
- E. What other things would you like the instructor to know, either about the course or about the instructor's performance?

D. I would rate the teaching ability of the instructor as exceptional. Throughout my college career I have had many

instructors, This is the only class I feel it necessary to comment on the exceptional ability. I have rarely been as motivated to work or attend classes as in this class.

E. I have described the instructor's performance above. The course felt like it moved slowly at times, but I believe that is the very nature of English 150. It had nothing to do with the instructor.

C. We achieved all the goals we set out to achieve. We finished every project she said we would do.

D. I think she is a very good instructor. She, unlike some instructors I've had, actually seemed interested in what she was teaching. She also let us talk to her and answered questions in a timely manner (if emailed). She was open to questions and didn't seem bothered by them (like some instructors I have). I really liked her teaching style.

B. A strength of this class was that we did a variety of different writing. A weakness was that the assignments weren't described well enough to completely understand.

E. I thought the topic was too vague. With every assignment there wasn't a set thing to do which made it difficult to write the "right" thing because it was unclear what that actually was.

D. You definitely knew what you were talking about. But when it came to grading and the comments you gave they were generally unhelpful and confusing. I got the impression the some of the comments gave after an assignment were there just for the sake of putting something down.

A. Not really, that is not the fault of the instructor but my own experience

In this course, I discovered that I had a hard time feeling my expectations for the assignment with my writing skills. I had trouble illustrating my ideas through the essays and brochure I like. The topic of the class, it was more interesting and fun to write about than I ever state facts.

B. There were many strengths to this class. The teacher used the time available to help us understand the assignments and how to do them well. The only weakness was the technology. The projector was terrible and would often show us slides in purple.

D. I thought she was a very good teacher. She seemed to help me about us learning the material. She also took extra time out of her day to help us with the assignments.

PLEASE RESPOND IN WRITING ON THIS SHEET TO TWO OR MORE OF THE FOLLOWING QUESTIONS. THESE DISCUSSION QUESTIONS ARE ESPECIALLY IMPORTANT, SO PLEASE EXPLAIN YOUR OPINIONS AS CLEARLY, FULLY, AND SPECIFICALLY AS YOU CAN.

- A. How have you been challenged intellectually through studying with your instructor?
- B. What were the strengths or weaknesses of the class sessions?
- C. How well did the instructor achieve the stated goals and objectives of the course? What was the most valuable thing you learned?
- D. How do you rate the teaching ability of your instructor?
- E. What other things would you like the instructor to know, either about the course or about the instructor's performance?

C.) She did a great job at creating assignments for the topic the class voted on in the beginning of the semester. It's not always easy to do that with a post apocalyptic theme but she succeeded.

D.) I would give her a very high score. She was very personable & easy to talk to. Also with each assignment she explained the rubric & what she expected out of each piece. Everything was generally explained very well.

E.) Keep on letting students decide what theme they want to focus on. This made the class much more enjoyable.
